Special to the Indianapolis Journal. LOUISVILLE, Ky., May 5.-Indianapolis took the fist game of the Louisville series this after Joon handly. The score of 5 to 3 to look back on the other teams. does not indicate the one-sided nature of the game. To Mr. Kerwin Louisville owes the three cores to her credit. The first he made on a home run in the first. The other two he dove in by a two-bagger which

Indianagolis won the game on batting, pitching and fielding, and there was but one time whee Louisville had a look in at the prize. In the sixth inning, with one man out and third and second occupied, Clymer hit a warm liner to Fox, who nabbed it and doubled be putting out White at second.

Indiana colis had the big end of baseball luck of the game. Three of the Hoosier scores were made on errors. Tamsett crossed the plate on Kerwin's muff of Newlin's fly is the second, on which the Indianapolis pitcher took three bases, and this gave throughout the game. Vlox, the new Louisville shortstop, donated another score to Fox in the fifth by missing Jones's slow

He worked a slow ball with great effect, and Kihm, Hogriever, Tamsett and Fox elter fanned wildly or knocked "punky" ones to the infield. Jones made a retty catch of a long fly by Bohannon in the seventh, and Hogriever accepted a dif-ficult long fly by Odwell. Jones scored on Coulter's hit in the eighth, and the Louisbatters were at the stick when time was called to permit Indianapolis to catch a train for Toledo. Had the game been proonged the score would not have been relaively different unless the element of luck had been greatly in favor of Louisville. Viox, the new shortstop, was a disappoint-ment to-ay. He claims one of Louisville's errors, and is not credited with a hit, although he made one assist in a double play that caught the crowd. The score:

The New York Americans are climbing Marion got even with Dayton yesterday by shutting out Dayton.

Captain Fox may not be a very hard hitter, but he figured extensively in yesterday's victory at Louisville. The Louisville spectators believe Indianapolis has a much faster team than last season. Why shoulen't they? Toledo spectators will witness some real baseball for the next four days. The In-

dianapolis Champions will play their next series in that city. With the pitchers all in good form and the team playing fast ball there is no rea-son why Indianapol's should not be able

Pittsburg is now on top in the National League race. New York did not play yesterday, but had to relinquish its hold on the top rung because Pittsburg won. Pitcher Newlin will do. ## LOCAL BOXERS SIGNED.

Jack Cullen and George Koerner Will

Furnish Semi-Windup on May 13. Jack Cullen, the Indianapolis light-weight boxer, and George Koerner, also of Indianapolis, have been signed to furnish the six-round semi-windup at the next boxing carnival to be given by the Indianapolis Aethletic Club on May 13 at the Empire Theater. Cullen is the best light weight in Indiana and is a very clever boxer. Koerner has only been seen once in public in this city and that was when he was substituted in place of Kid Bradford to meet Kid Blackburn at the Empire last June. On that occasion Koerner went into the ring without a moment's training and gave a very good account of himself. Efforts were made several times to bring Koerner and Cullen together, but the club did not succeed in signing them until yesterday. With this bout for a semi-windup of six rounds for a decision and Otto Sieloff, of Chicago, and Martin Judge, of Philadelphia, meeting in the main contest of ten rounds for a decision a very good evening's sport is assured. There will also be two preliminaries of four rounds each.

Interclass Track Meet.

An interclass athletic meet will be held at the fair grounds to-morrow afternoon by the Manual Training High School athletes for the purpose of getting a line on the new men, and it is very likely the first and second men will be taken to Blooming-ton to uphold the red and white in the big meet to be held under the direction of In-

COLLEGE BASEBALL.

Purdue and Indiana Will Meet on Stuart Field To-Day. Special to the Indianapolis Journal.

LAFAYETTE, Ind., May 5 .- Purdue and

Indiana will meet to-morrow in the first real championship baseball game of the season played on Stuart Field. The game will be the first real test of Purdue's merit. ast Saturday Purdue fell before Illinois but there was little attempt to make a showing against Illinois on account of the absence of certain of the team from the game. If all reports from Bloomington are to be taken at their face value, the game to-morrow will be as evenly as any ever played by the rival universities. Hardy, the little left fielder for Purdue, is still in the hospital, and his loss will be accentuated in the game to-morrow, when he will be needed more than ever. Ide will probably begin the game in the box for Purdue, while Cook will receive his delivery. It is possible that the big twirler will be relieved before the end of the game. but that all depends on the way the Bloomington batters take to his delivery. Jones has shown remarkable speed, and he has an assortment of fine curves. Captain Leslie will be at first base and McKee will hold down the second cushion. Cohen, one of the fastest men on the team. but an uncertain batter, will field the shortsop position, and Kelsey may be seen at the opening of the home stretch. In the outer gardens Ritter, Palmer and Gaetze will hold the points. There is an air of hopefulness at Purdue. and the team is confident of taking the

largest end of the score. De Pauw Cancels a Game.

Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., May 5 .- The ball game which was to have been played here this afternoon by Wabash College and De Pauw was declared off by the latter and the forefit paid. COLUMBIA STILL THE GEM OF THE SEA IN YACHTING CIRCLES.

Old Cup Defender Beats the New Boat a Quarter of a Mile in a Twenty-

GLENCOVE, L. I., May 5.-It required just twenty minutes to-day for the peerless cup defender, Columbia, to demonstrate that in a light wind and beating to windward she is a better boat than the new Herreshoff cup yacht Reliance. Starting from a position to leeward and slightly astern of Reliance, Columbia sailed through the new boat's lee, tacked across her bow and in the next leg of a mile and a half increased her lead to nearly a quarter of a mile. Reliance then withdrew. When the Columbia went through her lee the Reliance kept off and voluntarily gave up the advantage of her windward position, but she was none the less decisively and emphatically outsailed. This was the first brush between the rivals. The sea was as smooth as a pond and both boats carried mainsail, staysail, working jib and small club topsail. At the start of the race Reliance was a little ahead and to windward of Columbia. Reliance held her position only a few minutes, for as the breeze freshened Columbia drew up on her rival in astonishing fashion, ran by her to leeward and in ten minutes was leading the new boat by lengths. Columbia heeled

more stiffly, though carrying more canvas. Columbia went ahead and steadily drew away, seeming to foot faster and sail closer to the wind. She was a quarter of a mile ahead on the twenty-minute race. Women's Whist Tournament.

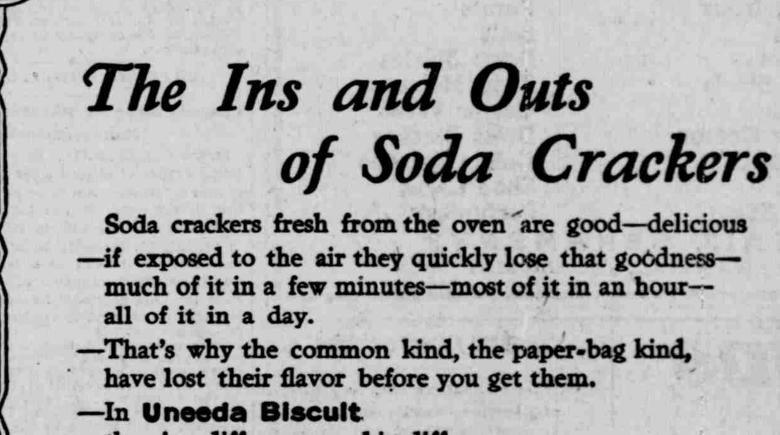

CHICAGO, May 5 .- More than three hundred devotees of the game of whist, mostly members of the Women's Whist League, took part in the opening games of the sixth annual congress at the Auditorium Hotel to-day. The women played in three sections, and in another section there were mixed games with a few men among the contestants. The prizes to be contested for are the Washington trophy, the Caven-dish trophy, the Philadelphia cup and the Toledo trophy.

By Train to Bagdad.

New York Tribune. Every passenger on the first train which runs over the Bagdad Railway should carry with him a copy of "The Arabian Nights," and refresh his memory of the strange things which were done by Haroun Al Raschid, and also his recollections of the adventures of Aladdin. Even a flight through the air upon the wings of a roc was not so weird a marvel as a journey by rail to the ancient city of the caliphs.
